

Please see below instructions on how to activate and use your Cobian digital gift card. You will be able to use this code for all items available at Cobianusa.com only.

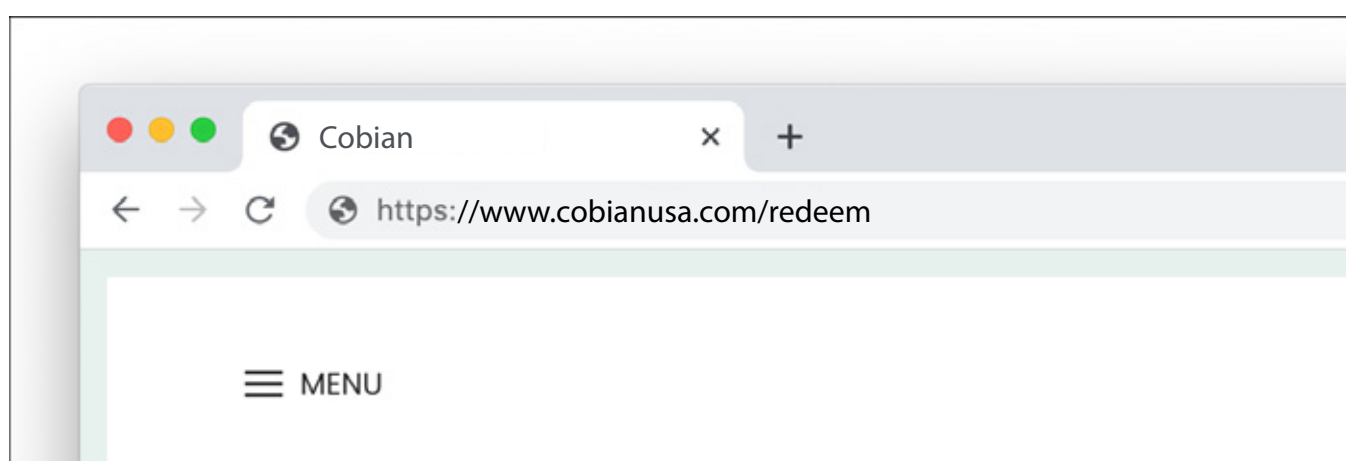

To redeem a gift certificate, the recipient must have an account on your store. Login to the account and click the link Apply a gift certificate to your account under the section Payment Settings.

On the next page, the recipient will enter the 13 digit gift certificate code and click Apply. The gift certificate will be applied to the recipient's account.

You can also reach the redemption page from your storefront by typing /redeem at the end of the domain name in the address bar.

How to use a Gift Certificate for a Purchase:

After a gift certificate is applied to an account, that credit is applied automatically to the account's next purchases until the credit runs out. The gift certificate credit will be listed on the checkout page when it is applied to the order.
